The growth of the city has made the matter of a new system imperative.

Thomas Brown, a carpenter at Bell's Foundry, has collected 65 different kinds of wood from various parts of the United States and in foreign countries and placed small blocks of each in a circular block of white walnut which is about nine inches in diameter. Each is entirely distinct from any other one in appearance but only an expert in the wood business can name the different kinds. It is really a valuable collection and Mr. Brown is justly proud of it.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & Co., Toledo, Ohio.
Sold by all druggists, 75c.
Take Hall's Family Pills for constipation.
